Region 9

Dear Ms. Strauss:

The California Air Resources Board (CARB) is submitting to the U.S. Environmental Protection Agency (U.S. EPA) revisions to the California State Implementation Plan (SIP), from the following air quality management districts (districts):

Feather River Air Quality Management District
South Coast Air Quality Management District

These revisions consist of adopted or amended rules for the districts, as listed in Enclosure A. Also enclosed is CARB Executive Order S-17-005 adopting the districts' rules as revisions to the SIP. To meet the U.S. EPA's criteria for determining that rule submittals are administratively and technically complete, we have enclosed evaluations of the effects of the rules on emissions, evaluations of the rules' consistency with 40 CFR 51, and other supporting documentation provided to us by the districts. One compact disc and one paper copy, each containing the revisions in their entirety, are enclosed.

If you have any questions, please have your staff contact Ms. Karen Magliano, Chief, Air Quality Planning and Science Division, at (916) 322-5350, or by email at Karen.Magliano@arb.ca.gov.

Sincerely,

Richard W. Corey
Executive Officer
